

Network Monitoring Report: C N18C1

Source: J0319+4130, J0237+2848
 Reference antenna: Ef
 Experiment code: N18C1

Length: 180 min.
 Date of observations: 05/03/18
 Date of report: 16/08/18

Observing mode: Mk V, mode 512-16-2, dual pol.
 Reference date: 05/03/18
 by: Ross Burns

- According to expectation, no special remarks
- Problem occurred - see enclosed footnote(s)
- Station did not observe (not scheduled)
- Entry not applicable/investigated
