

JUC, 14-7-2017, 11.00

present Jonathan, Benito, Harro, Des, Arpad

Jonathan: found problem with the +- registers not working, re-synthesizing. Alarmingly it did work in simulation. Test this afternoon. Statistics need to go to logs. Des is not quite sure if this is already in the official version.

Formatter test Wednesday, Hart and Yebes. We'll see....
